

Wine Collection

The Wines of Friendship collection is about bringing people together around friendly wine and food.

Our wines are primarily from Italy and the Mediterranean countries where wine rhymes with “Art de Vivre.”

We also feature gorgeous, best-in-class Americans and Texas rising stars.

We reserve a place of choice to wineries committed to sustainable and organic growing practices.

Our gender-equal wine list is meaningfully curated to give women in wine the recognition they deserve. 🌿

A special icon highlights the wineries owned, led, or co-advanced by women. 🍷

We have selected our wines with heart and soul. Like people, each wine is unique.

We hope you'll enjoy your wine service and discover many new friends at Avanti.....
